

As the weather cools and we spend more time inside it's important that we be vigilant and continue to keep our patients and staff healthy. For this reason, we ask that you keep following our office protocols:

- If the patient is not feeling well or someone in the immediate family is ill, please call to reschedule the patient's appointment.
- A mask must be worn by everyone who enters the waiting room.
- Each patient needs to have a parent or guardian complete and sign a Covid health form for each appointment. It can be downloaded at www.cartwrightorthodontics.com
- We ask that only the patient come in for the appointment. If that is not possible, we ask that a maximum of one adult accompany the patient. No siblings or friends will be permitted to remain in the waiting room.
- For new patient consultations, 2 parents may be present at the consultation but we request no siblings or friends be present in the office.

Thank you for your continued patience and understanding,

Dr. Cartwright & Staff
